Your request for information, deletion, correction, objection and / or data transfer, in the latter case, provided that this does not result in a disproportionate effort, can be sent to the address of the law firm listed in point 10 of this declaration.

If you are of the opinion that the processing of your personal data by us violates the applicable data protection law or your data protection claims have been violated in any other way, you can complain to the responsible supervisory authority. In Austria, the data protection authority is responsible for this.

## **3. Data Security**

Your personal data is protected by appropriate organizational and technical precautions. These precautions relate in particular to protection against unauthorized, illegal or accidental access, processing, loss, use and manipulation.

Notwithstanding the efforts to maintain a consistently high level of due diligence requirements, it cannot be ruled out that information that you provide to us via the Internet is viewed and used by other people.

Please note that we therefore assume no liability whatsoever for the disclosure of information due to errors in data transmission not caused by us and / or unauthorized access by third parties (e.g. hack attack on email account or telephone, interception of faxes).

## **4. Use of Data**

We will not process the data made available to us for purposes other than those covered by the mandate contract or by your consent or otherwise by a provision in accordance with the DSGVO. This does not apply to statistical purposes, provided that the data made available has been anonymized.

## **5. Transmission of Data to third Parties**

In order to fulfill your order, it may also be necessary to forward your data to third parties (e.g. opposing party, substitutes, insurance companies, service providers that we use and to whom we make data available, etc.) courts or authorities. Your data will only be forwarded on the basis of the DSGVO, in particular to fulfill your order or on the basis of your prior consent.

Furthermore, we inform you that as part of our legal representation and support, factual and case-related information is regularly obtained from you from third parties.

Some of the above recipients of your personal data are located outside your country or process your personal data there. The level of data protection in other countries may not correspond to that in Austria. However, we only transfer your personal data to countries for which the EU Commission has decided that they have an adequate level of data protection or we take measures to ensure that all recipients have an adequate level of data protection, for which we use standard contractual clauses (2010/87/EC and/or 2004/915/EC).

## **6. Notification of Data Breaches**

We endeavour to ensure that data breaches are detected early and, if necessary, immediately reported to you or the responsible supervisory authority, taking into account the respective data categories that are affected.

## **7. Retention of Data**

We will not store data longer than is necessary to fulfill our contractual or legal obligations and to defend against any liability claims.
